

Talent & Skills Spreadsheet

Project Name:

AI CAREER PATH NAVIGATOR

Project Manager:

Raveeha Mohsin

Key

1	No Current Competency
2	Partial Competency
3	Good Competency
4	Advanced Competency

Skill Needed	Team Member Name	Qualifications/Expertise	Years of Experience	Proficiency
Backend Development	Raveeha Mohsin	Server-side logic, scalability & performance optimization, cloud deployment	2+	3
Backend Development	Tayyaba Afzal	Server-side logic, scalability & performance optimization, cloud deployment	2+	3
Web Development	Ghania Khan Niazi	Full-stack architecture, responsive design, web security, Git/GitHub, testing/debugging	3	4
Web Development	Umaima Noor	Full-stack architecture, responsive design, web security, Git/GitHub, testing/debugging	3	3
Web Development	Noor Asghar	Full-stack architecture, responsive design, web security, Git/GitHub, testing/debugging	3	4
Web Development	Raveeha Mohsin	Full-stack architecture, responsive design, web security, Git/GitHub, testing/debugging	3	3
Web Development	Tayyaba Afzal	Full-stack architecture, responsive design, web security, Git/GitHub, testing/debugging	3	3

How To Use This Worksheet:

Plug the skill sets you need into the spreadsheet, and identify the team members who qualify.

Document each person’s qualifications and expertise, level of experience, and proficiency.

You'll eventually need to identify whether each member is available.

AI Integration	Raveeha Mohsin	AI-driven features, model deployment	2	2
AI Integration	Tayyaba Afzal	AI-driven features, model deployment	2	2
AI Integration	Ghania Khan Niazi	AI-driven features, model deployment	2	2
AI Integration	Umaima Noor	AI-driven features, model deployment	1	1
AI Integration	Noor Asghar	AI-driven features, model deployment	1	1
Database Mangement	Umaima Noor	Relational database design, SQL & NoSQL, ER modeling, query optimization, data integrity	2+	3
Database Mangement	Noor Asghar	Relational database design, SQL & NoSQL, ER modeling, query optimization, data integrity	2.5	3
Database Mangement	Raveeha Mohsin	Relational database design, SQL & NoSQL, ER modeling, query optimization, data integrity	2.5	3
Database Mangement	Tayyaba Afzal	Relational database design, SQL & NoSQL, ER modeling, query optimization, data integrity	2.75	4
Database Mangement	Ghania Khan Niazi	Relational database design, SQL & NoSQL, ER modeling, query optimization, data integrity	2+	3
Requirement Gathering	Tayyaba Afzal	Client interactions, needs analysis, stakeholder communication, user research, documentation, business analysis, functional & non-functional	2	2

	Requirement Gathering	Umaima Noor	Client interactions, needs analysis, stakeholder communication, user research, documentation, business analysis, functional & non-functional	3	3
	Requirement Gathering	Raveeha Mohsin	Client interactions, needs analysis, stakeholder communication, user research, documentation, business analysis, functional & non-functional	3	4
	UI/UX Design	Ghania Khan Niazi	User interface design, user experience, responsiveness, design thinking methodology	2.75	3
	UI/UX Design	Umaima Noor	User interface design, user experience, responsiveness, design thinking methodology	3	4
	UI/UX Design	Noor Asghar	User interface design, user experience, responsiveness, design thinking methodology	2.75	3
	API Integration	Raveeha Mohsin	Backend API's, API security, third-party API integration	2.5	3
	API Integration	Tayyaba Afzal	Backend API's, API security, third-party API integration	2	2
	API Integration	Noor Asghar	Backend API's, API security, third-party API integration	2	2
	API Integration	Umaima Noor	Backend API's, API security, third-party API integration	2+	3
	API Integration	Ghania Khan Niazi	Backend API's, API security, third-party API integration	2	2
	Leadership skills	Noor Asghar	Team coordination, conflict resolution, decision-making, strategic planning	3	3

Leadership skills	Umaima Noor	Team coordination, conflict resolution, decision-making, strategic planning	1	2
Leadership skills	Ghania Khan Niazi	Team coordination, conflict resolution, decision-making, strategic planning	3	3
Leadership skills	Raveeha Mohsin	Team coordination, conflict resolution, decision-making, strategic planning	4	4
Leadership skills	Tayyaba Afzal	Team coordination, conflict resolution, decision-making, strategic planning	2	2
Critical Thinking	Umaima Noor	Decision-making, analytical reasoning, risk assessment, innovative thinking, adaptability	3+	3
Critical Thinking	Tayyaba Afzal	Decision-making, analytical reasoning, risk assessment, innovative thinking, adaptability	3+	3
Critical Thinking	Raveeha Mohsin	Decision-making, analytical reasoning, risk assessment, innovative thinking, adaptability	3+	3
Critical Thinking	Noor Asghar	Decision-making, analytical reasoning, risk assessment, innovative thinking, adaptability	3+	4
Critical Thinking	Ghania Khan Niazi	Decision-making, analytical reasoning, risk assessment, innovative thinking, adaptability	3+	3
Problem Solving	Tayyaba Afzal	Debugging, troubleshooting, logical reasoning, root cause analysis, algorithm optimization	3+	3
Problem Solving	Ghania Khan Niazi	Debugging, troubleshooting, logical reasoning, root cause analysis, algorithm optimization	4	4
